It will help you configure and operate your system properly and enjoy all its advanced features. Please keep this owner's guide for future reference. WARNING: To reduce the risk of fire or electric shock, do not expose the product to rain or moisture. WARNING: The appliance must not be exposed to dripping or splashing, and objects filled with liquids, such as vases, should not be placed in the appliance. As with any electronic product, use the care not to spill liquids anywhere in the system. Liquids can cause a failure and/or a fire hazard Lightning with an arrowhead symbol, within an equilateral triangle, alerts the user to the presence of uncrystallized dangerous voltage inside the system enclosure that may be of sufficient magnitude to constitute a risk of electric shock. The exclamation point within an equilateral triangle alerts the user to the presence of important operational and maintenance instructions in this owner's guide. WARNING: No source of naked flame, such as lit candles, should be placed on the appliance. Note: The product label is located at the bottom of the product. This product is intended for use only with the supplied power supply. When the network plug is used as a disconnect device, this disconnect device remains readily operable. This product should be used indoors. It is not designed or tested for outdoor use in recreational vehicles or on boats. WARNING: Keep the remote control battery away from children. It can cause a fire or chemical burn if poorly handled. Do not recharge, disassemble, heat above 100°C (212°F) or incinerate. Dispose of used batteries promptly. Replace only with a battery of the correct type and model number. WARNING: Danger of explosion if the battery is replaced incorrectly. Replace only with Duracell, Eveready, Energizer, Maxell, Toshiba or Shun Wo CR2032 or 3 volt DL2032 lithium battery. Please dispose of used batteries correctly, following any local regulations. Don't incinerate. This product complies with EMC 89/336/EEC directive and Low Voltage Directive 73/23/EEC. The full Declaration of Conformity can be found at www.bose.com. 7KH6RXQG'RFNCEV'VWHPUHTXLUHVL3RG @ ZLWKGRFNFRQHFULUL3RGTELGHGHHG6RXQG'RFNLVDWUDGDUNR!%RVH&RUSWLRQ QUEHGWUDGHPDUNDQGWUDGHPDUNVRI%RVH&RUSRUDWLRQ\$OOULJKWVUJHHHHH QUEHGWUDGHPDUNDQGWUDGHPDUNVRI%RVH&RUSRUDWLRQ\$OOULJKWVUJHHHHH 30 Page 36. Wipe only with a dry cloth – and as directed by Bose Color-poration. Unplug this product from the wall outlet before cleaning. 7. Do not block any ventilation openings. Install in acceleration with the manufacturer's instructions – To ensure reliable operation of the product and protect it from overheating, place the product in a position and location that does not interfere with its proper ventilation. For example, do not place the product on a bed, sofa, or similar surface that may block the ventilation openings. Do not place in a built-in sys-have, such as a bookcase or a cabinet that can prevent air from flowing through its ventilation openings. 8. Do not install near any heat sources, such as radiators, heat records, stoves, or other appliances (including amplifiers) that produce heat. 9. Use only accessories/accessories specified by the men's manufacturer. 10. Do not install near any heat sources, such as radiators, heat records, stoves, or other appliances (including amplifiers) that produce heat. 11. Use only with the cart, stand, tripod, stand or table specified by the manu-facturer or sold with the appliance. When a stroller is used, be careful when moving the stroller/appliance to avoid tumming injuries. 12. Unplug this appliance during lightning storms or when not in use for long periods of time – to pre-ventilate damage to this product. 13. Forward all services to qualified service personnel. Maintenance is required when the appliance has been damaged in any way: as power cord or plug is damaged; liquid has been spilled or objects have fallen into the appliance; the appliance has been exposed to rain or moisture, does not function normally or has been discarded – Do not attempt to service this product alone. Opening or removing covers may expose you to dangerous stresses or other hazards. Please call Bose to be referred to an authorized service center near you. 14. To avoid the risk of fire or electric shock, avoid overloading wall sockets, extension cords or integral convenience containers. 15. Do not allow objects or liquids to enter the product – as dangerous voltage points or short parts may touch that may result in fire or electric shock. 17. Consult the product cabinet for safety-related marks. 18. Use appropriate power supplies - Connect the product to a suitable power supply as described in the operating instructions or as marked on the product. Information about products that generate applicable crash I f, this equipment has been tested and found to meet the limits of a class B digital device in accordance with Part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential facility. This equipment generates, uses and can radio frequency power and, if not installed and used in accordance with the instructions-tions, may cause harmful interference to radio communications. However, this is no guarantee that that will not occur in a specific installation. If this equipment causes harmful interference to radio or television reception, which can be determined by turning the equipment off and on, you are encouraged to try to correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna. • Increase the separation between the equipment and the receiver. • Connect the equipment to an outlet on a circuit other than the one to which the receiver is connected. • Consult your dealer or an experienced radio/TV technician for help. This product complies with canadian specification ICES-003 Class B.

\$0B6RXQG'RFN2*/ERRN3DJH7KXUVGD10DUFK 30 The Bose SoundDock is a versatile coupling device designed with simplicity in mind. The device has a small footprint and can be used almost anywhere. Connecting your media player to your device is as easy as connecting it to the cradle and enjoying crisp sounds. Can you find new and used Bose SoundDock models on eBay. The device works with all media players? The dock is designed to accommodate most iPod devices. A connector is placed on top of the dock and can be used with multiple adapters to expand the range of compatible devices. You can learn more about device compatibility on the manufacturer's website or in your device's instruction manual. What are the features of Bose SoundDock? You can find the following features in Bose SoundDock: Sound Quality: The dock produces good audio, even in high volume settings. Speakers have very little distortion when playing too high or too low notes. Simplicity: The Bose SoundDock user experience is simple and uncomplicated. Connecting and disconnecting devices is easy, and playback controls on the device can be used to control the most important functions. Device charging: Bose SoundDock can charge connected devices while you listen to your music. Remote control: You can control the Bose SoundDock with a remote control. Elegant Design: The SoundDock features an elegant and uncomplicated design that blends with its surroundings. The small size of the device allows it to be placed virtually anywhere. Where can Bose SoundDock be used? As long as the dock has electricity, it can be used almost anywhere. The compact dimensions of SoundDocks make it a portable music player that can be taken with you if you're going on vacation. The device does not require long cables or complicated connections, which increases the portability of the device. What are the tonaisfeatures of SoundDock? Bose SoundDock offers a good listening experience on most tonais tracks. SoundDock can be used to listen to tracks without distortion or interference, ranging from classic compositions to heavy metal. Multiple frequencies are automatically mixed by sounddock to keep distortion to a minimum. Content provided for informational informational purposes eBay is not affiliated with or endorsed by Bose.
